## FLOOR STANDING PROTECTIVE SCREEN - HONEYCOMB

STOCKED

1800 high honeycomb screens

Pop-up floor standing dividing screens give you the flexibility to shape your space and to set a boundary between areas to prevent the spread of germs or to create a refuge for small groups. Simple partitioning can be used in offices, production facilities, schools, call centres and much more to allow people to define their own boundaries and provide an additional barrier to help prevent the spread of airborne diseases.

### DIVISION SCREEN

Code	Width	Depth	Height	Price
WDSL	1200	625	1800	£54.87

### FEATURES

- Multi-purpose dividing screen for use in any workplace area
- Lightweight and easy to move around where required
- Use as partitions, privacy screens or room dividers
- Made from 100% recycled material with honeycomb centre
- Easy installation with two inter-locking feet
- Simple, effective workspace divider to support social distancing
